Sign up for Advanced Portals for Owners

Ponderosa Management is excited to announce we have added Advanced Portals to our management software.

These great new features will allow owners to access many types of information, communicate directly with their management team and to make payments from one location.

These features include:

View Accounts

Pay assessments

View CCR Violations

View, submit and track ARC applications

Submit and track general & maintenance service requests

View a community calendar

View and download community documents

Contact management

View communication history

View a Board of Directors list

View Frequently Asked Questions (FAQ)

Invitations are sent out to all unregistered owners on the 16th of each month. If you would like to register sooner, please email Ponderosa Management at info@pm-llc.com and request an invitation to be sent to you.

The Ponderosa Team would like to welcome you to your new community!
